Barronett WI. We are appealing this

decision based on the following reasons:

1. We can't have a rural box because we are gone often. We rarely go to Cumberland.
2. The rural boxes get hit by snowplows, cars, people with bats etc, we are retired and replacing and repairing a box is too much for us to handle, We send and receive packages often.
3. We feel you would be better served, save more money, by stopping mail delivery on Saturdays or get the retirement money situation solved.
4. In a time of so much unemployment, essentially firing thousands of workers seems like a bad thing to do; It does not help The economy

Dear postal Commission,

I appeal to closing Barronett, the post office.  
I lived in Barronett 55 years. They always  
had a post office. It will be a great loss  
to our Community.

Thank you
